

Dear Parents and Guardians of Hartfield,

We are excited to announce “My School Bucks” is live! This new and improved system for managing student meal accounts is part of an ongoing effort to make supporting your student’s meals more convenient and seamless.

My School Bucks allows you to create an account to conveniently and securely add money to your student's meal account online or with the mobile app. You will be able to view dining purchases, check your student’s balance, receive low balance alerts and pay for school meals from anywhere!

**Get Started Today:**

- Go to *myschoolbucks.com* or download the mobile app
- Create your free account and add your student using their school name / student ID
- Add funds using your credit / debit card or electronic check  
*Note: For each transaction, you will be charged a program fee.*
- Set up automatic payments and never forget to send in lunch money again

We appreciate you using this online option as a way to help reduce the amount of physical cash and check handling that would typically happen in the serving line.

If you need your students ID, please reach out to the admission/registration department. Where do they get this information?

Sincerely,

*Sara Hastings*

Food Service Director
